

## COCOA BUTTER SOLID

Available in 7.5 oz

- Soften and smooth marks, blemishes and dry, rough skin
- Contains Aloe Vera for moisture retention
- With Vitamin A, D3 & E to protect the skin
- Aids in the prevention of wrinkles and other skin conditions

### SKIN CARE TIP

Ultra Glow® Cocoa Butter Solid is ideal for full body treatment of the skin, particularly to the elbows, knees and feet. Liberally apply on your feet at nighttime and cover your feet with socks to achieve soft, smooth heels while you sleep.

### SKIN FUN FACT

The skin is the human body's largest organ. The average human has about 8 pounds (3.6 kilograms) of skin which covers an area of 22 square feet (over 2 square meters).

### SKIN CARE FOR DARKER SKIN

Caring about your skin and its health is natural. Making sure your skin is healthy and attractive allows you to look and feel better. However, proper skin care for people of African descent can be more challenging as a large percentage of skin care products do not maintain the level of moisture needed to care for darker skin and may leave the skin with a dull or ashy appearance. Healthy skin for people of African descent begins with understanding what the skin needs, finding products that can properly care for darker skin and developing a daily regimen to keep the skin glowing and healthy.

Here are a few basic tips that help to ensure the skin is protected and maintains a healthy glow regardless of your skin type.

#### DRINK LOTS OF WATER

Water hydrates the skin as well as flushes toxins out of the body. It is recommended to drink 6-8 glasses of water daily to ensure complete hydration.

#### BALANCED DIET & EXERCISE

Regular exercise and a proper diet that includes fruits and vegetables help to boost blood circulation and oxygen. Both help to improve your complexion and skin elasticity to encourage new cell growth.

#### MOISTURIZE FOR HEALTHY SKIN

When looking for a good moisturizer, keep it simple. Moisturize the skin with naturally moisturizing elements like cocoa butter as found in **Ultra Glow® Cocoa Butter Skin Care Products**, a great solution to skin replenishment for all skin types.

#### LIMIT SUN EXPOSURE

The sun can damage the skin by causing cancer as well as pigment changes and wrinkles. It is recommended to limit sun exposure and to always use a sunscreen when exposed to the sun for long periods of time.

# ULTRA GLOW®

**ULTRA GLOW® COCOA BUTTER SKIN CARE PRODUCTS** are internationally known for their beneficial effects on a wide range of skin types. Combined with all natural ingredients and the latest cosmetological technology to provide superior skin care results; these skin moisturizers naturally soften the skin with rich soothing cocoa butter - a timeless remedy known to replenish moisture, control ash, smooth marks, blemishes and dry, rough skin.

## BENEFITS OF COCOA BUTTER

Cocoa Butter is a rich and creamy yellow color fat extracted from the seed kernels of the cacao tree, a native tree to Africa, India, and South America. It has been used for centuries as a skin conditioner; it aids in the prevention of dry skin and is an excellent emollient known to retain moisture as it softens and soothes the skin.

Cocoa Butter, found in **Ultra Glow® Cocoa Butter Skin Care Products**, is the ultimate moisturizer enriched with natural antioxidants that help to hydrate and keep the skin soft and supple. This Cocoa Butter formula provides the added benefit of Vitamin A, D3 & E to restore essential nutrients and Aloe Vera Extract to help protect the skin and keep it healthy.

## THE HEALING POWER OF COCOA BUTTER

Cocoa Butter has many healing properties and is recommended for the treatment of various skin conditions. Experience the benefits of its natural ability when using **Ultra Glow® Cocoa Butter Skin Care Products** to rejuvenate and correct unwanted skin problems from head to toe.

## ULTRA GLOW® COCOA BUTTER PRODUCTS SKIN CARE SOLUTIONS

Recommended to aid in the treatment of:
